DESCRIPTION

PREDATOR is a 72.80m motor yacht built by Feadship in 2008 and refitted in 2016, with two extra cabins added increasing the number of guests that she can accommodate by four. She is a steel hull design, with exteriors penned by Studio de Voogt and interiors by Bannenberg and Rowell Design. She is the first ever Feadship with a reverse bow and broke multiple records upon her launch in 2008 as one of the quietist Feadships ever built with a remarkable engine room, leading to her being considered a 'temple of technology'.

ACCOMMODATION

PREDATOR can accommodate up to 10 guests in five cabins, which were refitted in 2016. The Master and Guest suites are all located on the main deck, with stunning interiors by Bannenberg & Rowell Design.
