## DESCRIPTION

She has the image of a fortress of the seas, but on the motor yacht PRIVATE 2 you will be surrounded by 160m<sup>2</sup> of luxury and elegance.

This yacht is not only comfortable and luxurious, but also offers an ecological cocoon, covered in solar panels that give even more charm to the spaces bathed in natural light. The yacht features an oversized battery pack, ideal to enjoy a night at anchor without the noise of the generators.

PRIVATE 2 benefits from the design and engineering expertise of Francesco Guida, with naval architecture developed by Arcadia Yachts.

From stern to bow, there is more than 160m<sup>2</sup> of conviviality, where majestic spaces flow seamlessly indoors & outdoors. She offers plenty of luxury amenities, including the massive swim platform ideal to launch the water toys. The yacht comes with an immense upper deck mostly dedicated to outdoor living.

The exterior of PRIVATE GG is a real floating lounge. The foredeck offers extraordinary panoramic views of the most beautiful yachting destinations. Here you can lounge for hours on the sunbeds before sipping a house cocktail in front of a blazing sunset.

The interior designed by Hot Lab is modern and uncluttered, thanks to great use of glass the main salon and upper deck are bathed in natural light. The interior of this sublime yacht is entirely dedicated to your well-being by offering you comfort on a par with the palaces of the French Riviera.

The search for style and elegance is in every setting and detail. On the main deck, you will find a light and airy main salon with floor to ceiling windows, providing a real connection to the sea. Wide body of the yacht features terraces that can be opened in the dining area.
