ACCOMMODATION

Quite Essential's entry upon the main deck aft features a stunning, 7,000 litre pool surrounded by generous seating and all the entertainment accoutrements needed for the ultimate social gathering. Moving inside and forward, the main deck continues its duty as a voluminous lounging area offering panoramic views, while further forward is a circular TV lounge - the first indication of the rounded theme that is peppered throughout the vessel.

A VIP stateroom is just beyond, and further forward lies the full-beam owner's apartment with 180-degree views and private balconies on either side. Quite Essential's upper deck aft welcomes guests with a large, outdoor seating area and bar, while moving forward, the formal dining area lies in a circular room, continuing the rounded theme. Further forward is the skylounge, which features a baby grand piano and fireplace, and finally, the state-of-the-art bridge that offers curved seating aft of the navigation console.

Her exquisitely designed staterooms each feature hand-painted silk wallpaper, marbles, onyx and other semi-precious stones. The 4 staterooms below decks include a twin, and 3 queen staterooms, one of which connects to a lounge area, making it convertible to a VIP.
