## DESCRIPTION

The upper saloon and the dinette figure an open-space that is divided from the steering station by a large TV screen, a solution that ensures impressive indoor brightness as it lets a large amount of natural light shine through the wide glazing on both sides and the windshield.

The design of all furniture and furnishings and the decision to combine the peculiar color of Canaletto walnut wood with chocolate-shade leather and white lacquering result in a pleasant, cozy atmosphere while enhancing a general sense of spaciousness and airiness.
