RMK 65

65.00m (213'3"ft) | 2023

DESCRIPTION

As can be seen from her renderings, the RMK 65 will be a state-of-the-art superyacht with a sporty edge to match her sleek profile. Her near-vertical bow, multi-deck layout and open flybridge will encapsulate the latest design trends of the modern day, affording her owner the pinnacle enjoyment of luxury and privacy on this sophisticated vessel. The RMK 65 is sure to be a head-turner in any harbour, while her tranquil deck spaces completed by minimalist design layout and features such as an on-deck infinity pool give the appeal and sense of a New York penthouse-at-sea.

Perfectly equipped for cruising, the RMK 65 will reach top speeds of up to 17 knots, 14 knots at cruising. She is powered by 2 x 1,118kW CAT 3512C engines. She also has a steel hull and aluminium superstructure.

ACCOMMODATION

Cool, classy and contemporary, Hot Lab Yacht & Design have carefully thought through every intricate design decision onboard the RMK 65 down to the very finest detail. Accommodating impressive room for up to 14 guests in 7 spacious cabins, this superyacht's multi-deck layout and configuration makes optimum use of her volume to give the feel of a much larger superyacht still.
