DESCRIPTION

Sanlorenzo SL86 has had only one season of use, with only 150 hours on her engines, making her in immaculate condition. This stylish 2021 Sanlorenzo SL86 flybridge yacht is currently based in Hong Kong.

Developed with world renowned Officina Italiana Design, the SL86 is a natural progression of the timeless design which has made Sanlorenzo the yard of choice for yachting connoisseurs around the world. Combining innovation with discreet elegance, Sanlorenzo has achieved a fine balance between 'made to measure' modern styling, exceptional engineering and quality.

This particular yacht has a comprehensive specification and also includes a Williams Sportjet 395 tender, custom-tailored (full boat) cover, and a custom-made flybridge cinema and projector, along with a karaoke system.

Stepping from the cockpit to the inviting saloon, guests are greeted with beautiful joinery, marble in-laid accents, and amazingly comfortable Minotti sofas. Just forward of the sitting area, a circular dining table seats up to 8 people.
