## DESCRIPTION

Delivered in 2011 by Dutch yard Vitters, SARISSA is an award winning yacht, boasting the 2012 ShowBoats Design Award for Naval Architecture and offers unrivalled charter potential. The experienced owner called for a sailing yacht with the capabilities to race yet fulfilled the needs of a young family wanting extended adventurous cruising to remote, isolated places. What emerged, from the collaboration of Tripp Design for the exterior, Rhoades Young for her stylish interior and Vitters for the build is an extremely versatile yacht ready to ensure a charter of a lifetime.

Her innovative exterior design offers ample deck space which is safe, uncluttered and ideal for those wanting to relax under a canopy of sails. Her aft cockpit masterfully moonlights as the occasional splash pool, and between this and the cockpit forward the space is utilised with an outdoor cinema screen. Inside, the elegance of her exterior melts into the casual cool style of a relaxed beach house offering neutral hues bathed in natural light and boasts a welcoming, family feel. The laid back ethos extends to the layout too. An open plan design joins the galley with the saloon and eventually up to the upper saloon. Five cabins sleep 10 guests which includes a truly playful children's cabin attached to a nanny's cabin via a shared bathroom. Try out the fibre-optic ceiling where, at a flick of a switch see the northern, or southern hemisphere stars appear. The master cabin is light and airy and offers views into the swimming pool, another playful design element.

A true testament of a great charter is the crew, and SARISSA boasts an impressive stable crew of six who are extremely family-orientated. The crew are also well versed in cruising in some of the most beautiful and unspoiled places in the world

---

## CREW

---

**Sasha Osborne**   
Chef

Sasha is from the UK. She is an experienced chef and has previously worked on yachts such as Maltese Falcon and Leander. Sasha also spent 10 years in the Formula One scene, working for the McLaren Team. This is a girl that loves anything with beauty - especially expensive earrings and...

---

**Greg Monks**  
Captain

Greg escaped the rain in the UK in his early twenties to discover the world. Once Greg arrived in New Zealand and saw the superyachts docked in Auckland, he knew what he wanted to do - sail these yachts and keep climbing the ladder. Besides the ambition to become a Captain, he also pursued the...

---

**Alessio Alaimo**   
First Mate

Alessio was born on the small Italian island of Elba. Lover of the sea, he discovered sailing when he was 13. So far, he has been exploring the waters of the Mediterranean, the Caribbean and the Pacific. Alessio is a qualified PADI Advanced diver and a free diver, but also enjoys kite...

---

## Peter Weller Engineer

With a wealth of nautical experience including extensive inshore and offshore racing, active lifeboat service with the RNLI in Cowes and many miles sailing the world's oceans on a variety of large sailing yachts, Pete brings a lot of knowledge and know-how to the team. Like a true...

---

**Josephine Keff**   
Stewardess

Jo is from Denmark but has sailed extensively around the Atlantic and the Mediterranean. She loves to sail and enjoys the fruits of travelling the world. Jo's fun and hospitable nature along with her passion for doing things right, make for our perfect stewardess!

---

**Max Runske**   
Deckhand

24-year old Max is from Ireland and is a water sports enthusiast - kitesurfing, surfing, sailing and diving are among his favourites. His mother runs a guest house back in Ireland where he frequently used to help out before heading to sea. With his sailing and hospitality skills, he...
