DESCRIPTION

The result is a craft with amazing space, highly sophisticated features, sleek, sinuous contours and truly unique solutions designed to minimize the barriers between interior and exterior space and present both owner and guests with an experience of pure, unadulterated comfort.

Just one of the solutions that deserves a mention is the splendid side window that stretches from the lounge all the way down to the main deck, from where you can enjoy spectacular sea views, comfortably stretched out on a luxurious lounge. Another major feature is the double horizontal window in the Master Cabin that offers guests an incredible view across the waves.

The interiors on the Dominator 780 are both spacious and sophisticated too, and an elegant atmosphere is created by alternating plaited leather and fine marble panelling that is beautifully rich, but never ostentatious.

ACCOMMODATION

Sascha can sleep up to a maximum of eight guests in her luxury four stateroom layout. She also fully accommodates for her crew in separate crew quarters ensuring privacy as well as a relaxed, luxurious experience whenever on board.
