SEA STAR

33.00m (108'3"ft) | 2001

DESCRIPTION

Powered by twin CAT Diesel 3412's, she offers 3 pilot chairs at the helm station, with an aft companion couch for comfortable seating.

At the foot of the spiral staircase is the master stateroom, where you'll find the dropped ceiling over the bed ornamented with a tasteful combination of lighting and mirrors, all framed in custom wood trim. The master was designed with a queen size bed and large, marble-top night stands that provide storage below.

She also has a unique sky lounge that was laid out with the helm forward, which is closed off and separated by a bulkhead from the entertainment area, where a bar is located to port that features 4 custom bar stools built to swivel as you sip your evening cocktails at sunset.
