## DESCRIPTION

The sundeck area is the perfect place for all the guests to spend their days around the large centreline bar. The yacht will be available for the Abu Dhabi Grand Prix and will spend the winter in Dubai.

This is one of Sunseeker's excellent 38m tri-deck Superyachts. The yacht is particularly unique as it has two master cabins - one forward on the main deck and the second after the bridge. This gives unrivalled flexibility for up to 12 guests for a yacht of this size.
