SHU SHE

30.93m (101'5"ft) | 2009

DESCRIPTION

Luxury motor yacht Shu She showcases sleek, sporty, sexy styling with a spacious interior and ample deck space. Designed by Galeazzi, the luxury yacht's interior is beautiful and contemporary. It showcases large windows throughout and a sunroof over the helm, which fills the space with natural light and creates a welcoming ambience.

Her bow is a spectacular spot for unwinding and lounging in the sun while at anchor with its ample sunpads; her flybridge is perfect for taking in the views and socializing while underway.

Shu She features just over 500 hours on her engines and is equipped with the most powerful propulsion option that includes Ka Me Wa water jets, allowing her to reach up to 34 knots.

ACCOMMODATION

Shu She accommodates nine guests in four pristine staterooms — some of the yacht's staterooms have never been slept in. She features a lovely full-beam master stateroom, a VIP stateroom, a double-bed stateroom and a stateroom with twin bunks and a Pullman.
