SILVER DREAM

43.89m (143'11"ft) | 2001

DESCRIPTION

SILVER DREAM ingeniously maximises her interior space with an expansive main saloon and dining area that continue the silver and black theme, accented with striking Aboriginal artwork. The upper deck sky lounge has a calm, neutral colour scheme and large windows that spill plenty of natural light, making it the ideal place to retreat from the heat of the sun.

The cleverly designed sun deck provides ample seating and sunbathing space under collapsible parasols, while the stylish jacuzzi aft is easily at hand for guests to plunge in and cool off. But, for the ultimate private sunspot, head forward to the bridge deck and take in the view from the luxurious double sun pad. Kick back with a cocktail aft on the upper deck, then let the crew prepare a spectacular al fresco dinner at the circular table on the main aft deck.

The supremely spacious full beam master suite incorporates its own saloon, study, dressing room and his and her bathrooms, with gently curved shapes and warm tones creating a peaceful ambience. The rest of the guest accommodation is made up of two double and two twin cabins on the lower deck which provide a cool, welcoming retreat at the end of the day.

SILVER DREAM has an abundance of watertoys, guaranteeing plenty of entertainment on, above and below the waterline.
