## DESCRIPTION

Lovingly maintained, in recent years Sky has undergone several refits and restorations and significant investment to bring her up to date and preserve her for the future. With her timeless classic lines and a flush deck layout with deck gear in keeping with her original design, she is a stunning sight when sailing on the water.

Masts, rigging and sails were all upgraded during her most recent refits, with the gaff-rigged Sky also rigged to match her original sail plan. Interior spaces and accommodation are accessed via a doghouse located at the centerline on the yacht, with a master cabin and guest cabin and welcoming saloon with a large teak table at the centre.

Restoration work saw the maximization of this interior space to create bigger and comfortable living areas with a good head height, while still retaining her traditional styling. Sky won the 2nd prize in the prestigious "Prix de Elegance" regatta.
