DESCRIPTION

Built in 2021, this stunning Sanlorenzo SL96A is a wonderful addition to the sales market. She is a striking flybridge yacht, part of the Italian yard's innovative Asymmetric range. She has been kept in perfect condition since her delivery, featuring a number of stand-out features, including a luxurious flybridge with a fully equipped custom Boffi bar cabinet, a large dining table and amazingly comfortable Roda sofas and sunbeds.

Her asymmetric lines rethink the classic layout of a traditional flybridge yacht, resulting in a modern and dynamic design. Her configuration is unique and provides excellent circulation onboard, leading her to be the only yacht of her size in the sales market that offers a seamless flow of access from aft to flybridge to bow.

ACCOMMODATION

SL96A comfortably accommodates up to eight guests across one grand master suite, one VIP cabin and two guest cabins. Each cabin has been expertly finished, all featuring ensembles.
