SUNSEEKER 28M

28.00m (91'10"ft) | 2013

DESCRIPTION

Showcasing a refined aesthetic in satin finished oak, this Sunseeker 28M's interior is beautiful. Her main salon was fitted with fine joinery and polished chrome fixtures; settees to port and starboard, armchairs, custom-made coffee tables and a dining area ensure complete comfort while aboard. Additionally, a hydraulic balcony is located on the yacht's starboard side. Alfresco dining is available on the aft deck, which is home to built-in upholstered seating, a dining table and concealed speakers.

The motor yacht has benefitted from Sunseeker's Platinum Upgrade Package, which includes several extra fittings, such as carbon-fiber hardtop, trac Zero Speed stabilizers, three generators, a Jacuzzi on the flybridge and much more. In 2016, she underwent a comprehensive refit that enhanced her A/V systems, network and CCTV system.

Sunseeker 28M is powered by twin 1,950hp MTU diesel engines, enabling a top speed of 29 knots and cruising speed of 23 knots.

ACCOMMODATION

This Sunseeker 28M offers accommodation for up to eight guests in four spacious cabins, all fitted with en-suite bathrooms. She has a full-beam master cabin, a forward VIP cabin, a double guest cabin to port and a twin guest cabin to starboard.
