# SUPERNOVA 55

55.00m (180'5"ft) | 2018

---

## DESCRIPTION

Option one is the hull and superstructure available as-is, ready for completion and allowing full input for customisation options, and option two is as a completed yacht with a delivery date of 2018. In its current form it is intended as a 49.75m (163'3") build, and if purchased as a completed yacht the build would be completed as a 55m (180'6") design.

The 55m offers additional length and added volume when compared to its slightly smaller 49.75m sister design.
