The interior of Syrolana is tastefully decorated in traditional style with modern understanding. Connoisseurs will appreciate the traditional shape of the stern, and all enjoy the plenty space. The captain of the yacht has very good experience on Aegean sea, cook and deckhand/ sailor are also very experienced and professional in their field.

Themistocle, the Captain, is 26 with an international background, more than 20,000 nautical miles navigation in the Greek islands, crossed the Atlantic, Yacht Master ocean and speaks 3 languages.
