---

## DESCRIPTION

In 2015 she was fitted with brand new stabilisers and a further refit in 2016 has left her in top cruising condition.

Boasting an all in-house exterior and interior build, TATII exudes charm and sophistication with a playful edge. Her masculine lines and grey hull turns heads in port but cleverly conceal a beam of 8.6 metres which has created a voluminous hull with a superior amount of space below deck. As a comfortable cruising yacht, she can achieve a top speed of 17 knots.

Her interior, created by designer Julia Tamsen is a contemporary fusion of zebrano and ebony woods accented with white leather-clad walls, sofas and armchairs. The vast main deck space is broken only with partial wall dividers offering a continuous flow throughout the yacht. Large sliding doors on both the main and upper deck seamlessly merge indoor with outdoor living. A large sliding glass roof in the upper saloon allows for swathes of light to filter through. She accommodates 12 guests in five cabins.

The exterior deck space is equally inviting with a spa pool and seating area located on the bow plus a sophisticated alfresco dining area found aft - reminiscent of some chic Ibiza day club.
