TC 78 BONTEKONING

24.00m (78'8"ft) | 2006

DESCRIPTION

TC 78 Bontekoning is one of the three TC 78 sailing yachts built to date, being the TC 78 Drumfire and the TC 78 Heartbeat. They all share the same hull and have different deck/interior layouts. Another distinctive feature of this version is the separate engine room with full head room, enhancing the comfort on long ocean voyages. This family cruiser is designed for shallow waters, with a draft of just 2.60 meters (8.53 feet).

TC 78 Bontekoning is designed to be handled by two persons, thanks to the hydraulic in-mast furling system, powered sheet winches, hydraulic furlers on the headsails and self tacking staysail.

TC 78 Bontekoning has been well maintained and cared for and represents a special opportunity for the discerning blue water sailor.
