TRANQUILITY

39.60m (129'11"ft) | 1995

DESCRIPTION

She is powered by 16V149 Detroit Diesels and cruises at 15 knots, and received numerous upgrades in 2018. The vessel was built to the specifications of the American Bureau of Shipping (ABS), although her Owners have opted out of subsequent certifications.

The Aft Deck offers a large Ushaped settee with solid Teak table that accommodates up to ten guests for dining. A spiral staircase leads up to the Sun Deck and Skylounge.

Meanwhile, the yacht features nearly 40 feet of entertaining space, finished with warm, neutral decor. The aft area is equipped with wet bar that overlooks the Aft Deck through a large window. The central seating area offers owners and guests a comfortable place to relax, socialize, and view the 50" Samsung TV, whilst a Day Head is located forward of formal Dining.

ACCOMMODATION

Tranquility sleeps a total of ten owners/guests in five staterooms and offers crew accommodations for eight.

MAINTENANCE HISTORY

Additional upgrades added in 2006/07 included modernizing the galley with a new finish and new appliances. On the exterior, teak decking was added to the boat deck's sitting area, the aft deck and swim platform which notably elevated the elegance of the yacht's aesthetic and the functionality of these areas.

In 2011, Shine Yachts completely refinished the exterior of the yacht with their 3 stage Polymer nanotechnology treatment. Also, 2 new 15" Big Bay LED monitors in wheelhouse and a Fleet 55 Satellite phone for communication and internet.

Yacht Upgrades 2007

- New "Whisper Wall" headliners and new LED rope lighting throughout.
- New carpet throughout
- New marble floor in lower foyer
- (2) New 2 person SeaDoo's
- Forward A/C system and pumps, thru-hulls, etc.
- Fire system overhaul
- New Galley
- New Skylounge
- Totally rebuilt Master bathroom
