TROY

47.24m (154'11"ft) | 2018

DESCRIPTION

This impressive sailing yacht boasts an LOA of 47.25 meters. Troy is a Tim Saunders designed yacht with naval architecture by Dykstra. She offers a remarkable level of interior finishing and artwork.

Troy is an exceptionally fast cruising sloop built to offer high performance and ample privacy for the owner. Her exterior is sleek, modern and eye-catching. Her standout feature is glass paneling that runs through her centerline from the top deck helm station to the private Jacuzzi on the aft deck. This feature allows an impressive amount of sunlight to flood into the guest areas creating a beautifully warm spaces. Her forward windows all slope inward in an aggressive, rugged look, paying homage to her name. In addition, her spinnaker is adorned with a large Trojan helmet.

ACCOMMODATION

Troy is able to accommodate up to 12 guests in five stunning staterooms. She offers a master stateroom below deck aft with en-suite facilities and separate entrance with direct access to the on-deck Jacuzzi, two twin staterooms, one to port and one to starboard and two double staterooms, one to port and one to starboard.

Her interior is a rich symphony of gold and precious woods, designed to portray the Trojan theme. Mosaics of Murano glass are inlaid with six different types of gold leaf around her door frames. An artist was commissioned to engrave an impressive and intricate scene of Troy into the gold leaf that coats the guest corridor.
