VEDA

24.00m (78'8"ft) | 2016

DESCRIPTION

Veda is a proven ocean-going commercial trawler that excels in the areas that matter most. Her towering bow with tremendous reserve buoyancy allows her to ride over large open-ocean swell, while her pilothouse and Portuguese bridge provide a classic look.

The Bering 80 had enormous fuel capacity. She can travel well over 7,000 miles at a cruising speed of eight knots and a maximum speed of 10.5 knots. In full operation, Veda has almost zero sound and vibration levels throughout all cabins, ensuring a comfortable journey in all sea states.

ACCOMMODATION

Veda represents a cutting-edge progressive yacht design with modern features. She can accommodate eight guests in four well-appointed cabins, including a master stateroom, a VIP cabin and two additional guest cabins.
