VIATORIS

40.50m (132'10"ft) | 2018

DESCRIPTION

This Lloyd's class and MCA compliant vessel is designed as a luxurious yacht for far and demanding cruising, capable of safe and comfortable ocean passages. Expressing dynamic and elegant lines, custom designed by REYMOND LANGTON and DIANA YACHT DESIGN exclusively for Conrad Shipyard, the design represents a timeless and graceful concept, promising outstanding cruising experiences in Luxury, Comfort and Safety.

VIATORIS which was launched in Spring 2018 is the flagship of Conrad Shipyard based in Gdansk, Poland.

The brief behind VIATORIS by her experienced owner was to create an elegant yet comfortable interior and extremely livable exterior spaces and I feel that was accomplished.

VIATORIS is a full displacement steel hull, aluminum superstructure yacht built according to and under survey of Lloyd's Register and in compliance with MCA LY3 for vessels of less than 500GT.
